

2025 Cherokee Ridge Country Club Membership Information Packet

“Cherokee Ridge is a club like none other. On top of the friendly service and always having something going on, the Sammy Dean designed course is truly Destination Golf In Your Own Backyard.”

Former PGA Tour Player Jimmy Green

Dear Perspective Member,

On behalf of the entire staff, the ownership, and the current membership, we thank you for your interest in Cherokee Ridge Country Club. We take pride in offering a club that is welcoming to all. Our belief is that activity is the lifeblood of any club, and here at Cherokee Ridge there will always be something to be part of both on the golf and non-golf side.

The 6,728-yard Sammy Dean designed course offers golf at a higher level, with immaculate NEW Tif-Eagle greens set against a spectacular Appalachian backdrop. This 18-hole championship golf course takes every advantage of rolling hills, whispering woods, lakes, and streams – natural beauty that enhances, not punishes. Much of the front nine is guarded by a 17-acre sparkling lake – an added challenge and certainly a beautiful diversion. The back nine turns through a forest of pines and hardwoods, with three holes reconfigured to include a view of a 40-foot waterfall, cascading into Lynn's Creek. A scenic view worthy of any nature photographer, it's a natural feature that captures the true essence of Cherokee Ridge and an experience that is impossible to forget.

The clubhouse houses The Ridge Bar & Grill and offers both lunch and dinner options that will water anyone's tastebuds. Events like trivia, bingo, watch parties and more are offered multiple times a month and are a blast for all members and their guests. If just hanging out is your thing, The Ridge offers Happy Hour Wednesday thru Saturday.

Looking for a place to cool off in the summer? Check out our resort style pool available for all our members and their guests. The pool is a perfect place to host a birthday party or just have a relaxing afternoon with the family.

If you have any questions or would like to speak further about joining, one of our management team would be happy to assist you.

We thank you and can't wait for you to join The Ridge Family.

Peter Sands
General Manager
